Composte

● Water well

Circle with open water for irrigation and as ecospace, irrigation by pipelines, sprinklers and droppers is taken to berries and vegetables in the circles and to the meadow and crops in the outer segments.

Dry wood and stone walls as ecospace

Compostation wales along the pathways and roads

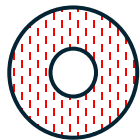

Carriable roads and pathways

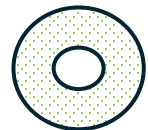

Rows of mixed fruit and nut trees of various height

The circles indicate bowed beds of a width of 5 m and a length of 20-50m, one fruit circle after the other with circular pathways of 1 m width between the circles.

Circles with beds of fixed berry bushes, winyards, roses, bed width 5m

Circles with rotating vegetables

Fields for rotating crops and meadow outside the circles towards the border of the area
